HIGHLIGHT PORTFOLIO

Letshego Botswana was established in 1998 to provide financial support through payroll lending to clients via a deduction at source model. Today, it offers borrowing opportunities to 36'000 clients, it opened 16 branches and employs over 260 people. In 2017, customer surveys revealed that 99% of their loans are used for productive activities such as affordable housing, education, healthcare and agribusiness. Finally, in 2016, Letshego has undergone an ESG due diligence by a third party, concluding its compliance with industry standards as per IFC performance standards and the SMART campaign for client protection.
