1. WHEN DO WE HANDLE YOUR PERSONAL DATA?

We typically collect or obtain Personal Data directly from you, your authorized representatives or third parties unless it is unreasonable or impracticable to do so. The collection of Personal Data usually may take place as follows (no exhaustive enumeration):

- If you use our Website;
- If you subscribe to one of our newsletters or product news;
- If you register for one of our webinars;
- If you attend one of our meetings;
- If you visit our premises or participate in our events;
- If we establish a business relationship with you;
- If you complete an application form for one of our products;
- If we provide a product or service to you;
- If we work or interact with a company or authority you work for;
- If we are involved in administrative or judicial proceedings;
- If you apply for a vacancy at BlueOrchard and during your employment with us
- If you communicate with our employees or authorized representatives;
- Through publicly available sources (websites, public directories e.g. commercial registers, newspaper articles, sanction lists online searches etc.).
- Through business contacts who may engage us to provide services that share your personal information with us.
- Through Personnel Service Providers: e.g. recruitment agencies, background check agencies, former employers, benefit providers and other third parties.

2. TYPES OF PERSONAL DATA WE MAY COLLECT

The following types of Personal Data may be collected by us, whether through direct interaction with us or through third parties. The nature of our relationship with you will determine the categories of Personal Data that we might ask for or that you will provide to us. This is information we collect from you or generate about you or information we obtain from other sources. The enumerations are not exhaustive. Such information may include:

- **Personal Data:** The following is an overview of the Personal Data that we may typically collect in the course of our business activities:
 - Contact details (e.g. first name, family name, company name, occupation and job title, business and personal telephone numbers, business and personal e-mail addresses, postal address including city postcode and country);
 - Professional data (e.g professional background, educational background and memberships in professional associations, publications, sanction listings);
 - data of relatives and beneficiaries in the areas of mobility, official authorizations, insurance and old-age provision (e.g. names and dates of birth);
 - Financial data (e.g taxes, payroll, investment interests, pensions, investments, banking information, insolvency documents).
- **Sensitive Personal Data:** Sensitive Personal Data will only be processed with the consent of the data subject, unless the data has been transferred to us indirectly and for lawful purposes. The enumerations are not exhaustive. Examples of sensitive Personal Data we may receive include:
 - Personal identification documents, which may also provide health related information or information about disability status, racial or ethnic origin, religious and ideological beliefs, social security measures, biometric data which unequivocally identifies a natural person, sanction listings;
 - Negative information about potential employees who provide information about administrative or criminal proceedings or sanctions;
 - Food preferences when registering for events that provide information about religious beliefs or health status;
 - Any other sensitive Personal Data that you choose to share with us.
- **Third Party Data:** We also process Personal Data that you provide to us about any individual on whose behalf you act (or who works with a company on whose behalf you act) or who is otherwise related to you, for example investment beneficiaries, beneficial owners, family members, representatives, attorneys, co-workers, etc. **By providing us with their Personal Data, you confirm that this Personal Data is accurate and that you have provided these persons with the information set out in this Privacy Policy, and we may assume that you are authorized to make such disclosure.**
- **Location-based data:** We may process location-based data, for example when you use the location search function on our Website.

3. ON WHAT LEGAL BASIS DO WE PROCESS PERSONAL DATA?

The law specifies certain ‘lawful bases’ for which we are allowed to use Personal Data. Most commonly, we will rely on one or more of the following lawful bases for Processing Personal Data:

- where it is necessary for the fulfilment of our contractual obligations;
- where it is necessary for the performance and fulfilment of an employment contract;
- where it is necessary for compliance with and fulfilment of a legal obligation to which we are subject;
- in relation to the prevention of money laundering and terrorism financing and the prevention and detection of crime and fraud;
- to disclose information to service providers which are required by law to perform checks in relation to the prevention of money laundering and terrorism financing;
- to disclose information to regulators, government bodies and tax authorities. This includes the disclosure to the Swiss Financial Market Supervisory Authority (“FINMA”), foreign regulators, Commercial Registry;
- to disclose information to authorities as may be required from time to time in case of the automatic exchange of information with other countries in the field of taxation;
- to protect the employee’s vital interests or those of a third party;
- for a task carried out in the public interest;
- where you have voluntarily consented to the Processing at the time of providing your Personal Data.
- where it is necessary for the purposes of the legitimate interests pursued by us or a third party, except where such interests are overridden by the interests or fundamental rights and freedom of our Data Subjects, which require their protection. These interests include:
 - *Providing Services and Products* – To provide the services and products commissioned by our clients;
 - *Marketing* – To provide timely market insights and expertise, as well as to submit offers and invitations that we believe are of interest to our clients, prospects, readers and others;
 - *Recruitment* – To search for qualified applicants.

4. WHY DO WE NEED PERSONAL DATA?

We will only use your Personal Data within the scope of our activities and/or the fulfilment of our contractual or statutory obligations. Personal data may be used by us for the following reasons:

- To communicate with you in relation to your current or planned investment (these communications may take place in various forms, including telephone, mobile (SMS), email and mail);
- To provide continuous service to you (such as the transmission of information or marketing materials that may be of interest for you);
- To promote our professional services, products and offers to you;
- To send invitations and admission of guests to our events and webinars or to events sponsored by us;
- To personalize our online landing pages and communications that we deem relevant due to the ability to interact with you;
- To administer, maintain, develop and ensure the security and functionality of our IT systems, applications and Websites;
- To register you as a user for certain areas of our Websites;
- To process your online enquiries, including responding to communications you as well as your product news requests;
- To contact journalists in connection with market insights, company announcements, invitations to press conferences or notices on communications that may be of interest with regard to specific investment topics;
- To comply with legal or regulatory obligations regarding sanctions, the assessment of embargoes, the fight against money laundering, terrorist financing, fraud and other financial offences;
- To prevent fraud or criminal activity, securing our IT systems and handling claims;
- To implement personnel and work processes;
- To search for qualified applicants and check their suitability for a job opening;

Please note that you may opt-out of receiving marketing communications from us at any time. In this case, please contact us by using either the contact details below or the opt-out facilities provided in the marketing communications you receive.

5. DO WE SHARE PERSONAL DATA WITH THIRD PARTIES?

In certain instances, we may share your Personal Data among the entities of BlueOrchard Group, Schroders Group entities or with trusted third parties for the purpose of providing efficient and high-quality services and products. Also, some of your Personal Data may be disclosed to BlueOrchard

entities in the context of our employee administration activities. Personal Data may be disclosed if we are required by law or regulation to do so and/or to comply with judicial or regulatory proceedings, a court order or other legal process or where it has another legitimate interest in doing so. We may further share Personal Data with third parties, for example in the context of reasonable anti money laundering, KYC or our investor due diligence requirements or those of third parties.

We take reasonable steps to ensure that such third parties are bound by confidentiality and privacy obligations in relation to the protection of your Personal Data. Such third parties may include:

- Business partners of ours where they are contractually obliged to comply with appropriate data protection obligations;
- Representatives, agents, custodians, intermediaries and/or other third-party product providers appointed by a client or prospective client (such as accountants, professional advisors, custody service providers and product providers);
- Depository, stock exchange, clearing or settlement system, counterparties, dealers and others where disclosure of your Personal Data is reasonably intended for the purpose of effecting, managing or reporting transactions or establishing a relationship with a view to such transactions;
- Enforcement authorities or supervisory authorities (e.g. FINMA) as well as other third parties, if this serves to comply with applicable laws and regulations;
- Other governmental authorities and auditors, to the extent required by law or regulation, for example if we are under a duty to disclose your Personal Data in order to comply with any legal obligation (including, without limitation, in order to comply with tax reporting requirements and other disclosure requirements);
- Courts and other persons involved in administrative or legal proceedings;
- External service providers and agents who assist us in providing services (such as IT services companies, telecommunications system providers, post office management, IT system support, document creation services, cloud-based software services and scanning services);
- External advisors (such as accountants, lawyers, consultants, auditors, insurers etc.);
- Providers of marketing services;
- Providers of personnel services;
- Other third parties where required, or allowed under law, or in connection with legal proceedings.

BlueOrchard will/may need to share employee Personal Data with (no exhaustive enumeration):

- its payroll company (i.e. bank details, address, social security identification number, ID copy or passport etc.);
- insurance brokers;
- service providers;

- benefits providers (e.g. health/dental insurance, life insurance, pension);
- accountants & auditors;
- tax authorities;
- social security administration;
- its legal and compliance advisers;
- medical experts;
- IT support;
- Regulators.

BlueOrchard engages Schroders group entities in Switzerland and/or abroad for the provision of IT services. BlueOrchard may share Personal Data with Schroders Group and other BlueOrchard group entities as part of its regular business and reporting activities connected with its performance, in the context of a business organization or group structuring exercise, for internal communications, for IT system maintenance support and for hosting of data.

6. DO WE TRANSFER PERSONAL DATA TO RECIPIENTS OUTSIDE SWITZERLAND?

BlueOrchard is a global business with clients, investors, investees and operations around the world. As a result, we may collect and transfer Personal Data within our subsidiaries and branches, within companies of the Schroders Group and from time to time to our third-party service providers. That means that we may transfer your Personal Data to locations outside of Switzerland.

We store Personal Data on servers maintained by Schroders Group entities located in Switzerland, in member states of the EU and outside the EU.

During the Processing of Personal Data, we may transfer Personal Data to a country other than Switzerland and the European Economic Area (“EEA”), namely one of our below mentioned subsidiaries or branches. Such countries may not have an adequate level of data protection as determined by the Federal Council. However, BlueOrchard has established appropriate safeguards for such cross-border data transfers to ensure adequate level of protection for the rights of Data Subjects by way of:

- the existence of binding corporate rules;
- the recipient country having been subject to an “adequacy decision” by the Federal Council
- the entry into a data transfer agreement between BlueOrchard and the non-EEA recipient of the Personal Data which contains standard contractual clauses that have been approved by

the European Commission (and recognized by the Swiss Federal Data Protection and Information Commissioner as well as amended accordingly, such as the EU Commission's approved EU Standard Contractual Clauses).

We may also transfer your Personal Data otherwise, where the law explicitly permits such a transfer, for example where the transfer is necessary for the establishment, exercise or defense of legal claims.

7. HOW IS YOUR PERSONAL DATA PROTECTED

Data is a critical business asset and must be protected appropriate to its risk as well as its importance or value.

In order to keep your Personal Data secure, we have put in place appropriate physical, technical and organizational safeguards to protect your Personal Data from misuse, loss, interference, unauthorized access, modification or disclosure. We use safeguards such as firewalls, intrusion detection, anti-virus technology and password log-in to prevent unauthorized access. The effectiveness of these safeguards is periodically tested. We also have appropriate controls and mechanisms in place to detect, respond and recover in case of adverse events.

Access to and the use of Personal Data is restricted to authorized personnel and regulated to prevent misuse or unlawful disclosure of such data. Persons who have access to the data are obliged to maintain the confidentiality of the data accessed. In order to protect Personal Data even better, we may make use of procedures such as pseudonymization, obscuration or anonymization.

If you have access to parts of our Website or use our services, you are responsible for maintaining the confidentiality of your login details if available. Please remember that the transmission of data over the Internet is never completely secure. Although we do our utmost to protect your Personal Data, we cannot guarantee the security of the data you submit through our Website. Any transmission is at your own risk.

8. FOR HOW LONG DO WE KEEP PERSONAL DATA?

We retain personal information in order to provide our continuous services to you, to meet any of our contractual obligations, to make offers, stay in touch with you, and comply with applicable laws and regulations and professional obligations to which we are subject. We retain Personal Data for as

long as it is used for the purpose for which it was collected or for a period of time to which we are obliged by applicable laws and regulations or contractual agreements.

9. WHAT DATA PROTECTION RIGHTS DO YOU HAVE?

If BlueOrchard processes Personal Data about you, you have the rights listed below. Before we respond to your request, we may ask you for proof of identity. In this way, we can ensure that Personal Data is not passed on to unauthorized persons. We may also ask you for sufficient information about your interactions with us so that we can locate your Personal Data.

- **Right to Information:** You have the right to obtain information about whether we process Personal Data about you and, if necessary, to more detailed information about the use of your Personal Data.
- **Right to access:** You have the right to receive a copy of any Personal Data, which we collect and process from you including the right to receive Personal Data in a structured, commonly used and machine-readable electronic format;
- **Right to Rectification:** If you believe that Personal Data we store about you is incorrect, incomplete, inaccurate or misleading, you may ask us to amend it.
- **Right to Erasure:** You have the right to have your Personal Data deleted by us if you revoke your consent to their Processing or if we no longer need the data for the original purpose of its use and are not obliged to retain it.
- **Right to restrict:** You have the right to have the Processing of your Personal Data temporarily restricted by us if you doubt the accuracy of the Personal Data or restrict the use of the data instead of having it deleted.
- **Right to data portability:** If you have provided us with Personal Data, you may have the right to have us transmit it to you electronically, if this is technically possible.
- **Right to review automated individual decision-making:** You have the right to review decisions about you that have been made solely through automated data Processing, including profiling, and that have had legal consequences related to you or other material effects on you.
- **Right to withdraw consent:** You have the right to withdraw your previously given consent to the Processing of your Personal Data for one or more specific purposes. This does not affect the lawfulness of Processing operations that took place before the revocation. In the event of a revocation, we may no longer be able to provide you with certain services or products, which we will point out.
- **Right to lodge a complaint:** You have the right to lodge a complaint with the relevant data protection authority, if you think that any of your rights have been infringed by BlueOrchard.

We endeavor to keep your Personal Data accurate, complete, up to date and relevant. For this purpose, we kindly ask you to let us know if any of your details change.

As our Website is linked to the internet, and the internet is inherently insecure, we cannot provide any assurance regarding the security of transmission of information or data you communicate to us online. We cannot guarantee that the information you supply will not be intercepted while being transmitted over the internet. Accordingly, any Personal Data or other information which you transmit to us online is transmitted at your own risk.

10. BLUEORCHARD WEBSITE AND OTHER WEBSITES

If you use a BlueOrchard Website, we may collect technical information, for example through the use of cookies. The type of information collected varies by category of cookies as explained in our Cookie Policy. As detailed in our Cookie Policy, we provide you with the opportunity to selectively accept certain categories of cookies in your Web browser through our Cookie Preference Application. If you accept tracking cookies and make your identity known during a secure (logged-on) browsing session on one of our Websites, we will be able to combine the information we collect about your usage of our Websites during that session with other information we know about you, such as any searches you conduct on our Websites or information you request during your web session. We will use this combined information to assess the appeal and usefulness of the information and tools offered on our Websites as well as to identify BlueOrchard products and services that may be of interest to you.

We also collect anonymous information related to browsing habits of users through other categories of cookies with the purpose of managing and improving our Website.

If you use a BlueOrchard Website to communicate with us or apply for or use a Product or Service, please see above information about how we process Personal Data in relation with these activities.

If you use a BlueOrchard Website and follow a link from it to another website (including a website operated by BlueOrchard), different privacy policies may apply. Prior to submitting any Personal Data to a website, you should read the privacy policy applicable to that website.

11. WHO TO CONTACT IN CASE OF QUESTIONS OR CONCERNS ABOUT DATA PROTECTION?

If you have any questions or comments about this Privacy Policy or our handling of Personal Data, if you believe that your privacy has been breached, please contact our Data Protection Contact

Person using the contact information below and provide details of the incident so that we can investigate it.

We request that complaints about suspected breaches of privacy be made in writing, which will also enable us to keep in touch with you in relation to your complaint.

Please contact our **Data Protection Contact Person** as follows:
